For Immediate Release

At approximately 11:15 am on February 13th, 2018, our ski patrol was notified of an injured 11-year-old female skier at the bottom of Buffalo Flats.

Castle Mountain Ski Patrol provided First Aid Treatment at the scene.

EMS was called immediately, and arrived shortly thereafter. She was transported by EMS to Pincher Creek Health Centre and then onto Alberta's Children's Hospital in Calgary.

We learned of her passing overnight.

Our heartfelt condolences go out to her family and friends.
